LIVEBOARD RULES

1. Permanent liveaboards are permitted in **Seaview Marina** only by approval of the marina management. 'Liveboard' means to sleep overnight on your vessel for more than 3 consecutive nights while it is moored in the marina.
2. The liveboard must be the owner of the vessel. Living aboard is not permitted on leased or rented vessels.
3. Liveaboards will be reviewed annually.
4. Liveboard approval is not transferable to other persons.
5. The vessel must comply with a boat safety inspection by the marina management and must be capable of making way under its own power.
6. All vessels with *liveaboards* must hold a current Electrical Warrant of Fitness (EWOFF) and permanent power connections must comply in all respects with the relevant regulations.
7. Only one power point per vessel to be used. Electricity consumption shall be limited to battery chargers and small household appliances (i.e. TV, radio). No electrical heaters are to be left switched 'on' in unattended vessels.
8. There shall be no discharges of sewage from vessels into the marina. Vessels fitted with a toilet must have a functioning black water holding tank.
9. Shore-side toilet and showers must be used at all times.
10. No laundry to be hung off the vessel.
11. The vessel shall be maintained in good and safe condition.
12. Piers and finger piers must be kept clear at all times.
13. Pets are permitted as liveaboards in the marina.
14. All vehicles are to be maintained in good condition and must be warranted and registered at all times.
15. Vehicles are not to be used as storage.
16. The marina management may vary the rules by written notice to the berth occupiers. If there is any inconsistency between the provisions of these rules and the provisions of the Berth and Trailer Park Rental Agreement the provisions of the latter shall prevail.
